Laura McBride Music Education and Spirit Scholarships

The Westfield High School Band Booster Organization is pleased to offer:

- 1) The Laura McBride Memorial Music Education Scholarship to a college-bound senior band member for the 2014-2015 academic year who is committed to a career in music education and
- 2) The Laura McBride Spirit Scholarship to a college-bound senior band member for the 2014-2015 academic year who will further their music education by participating in a collegiate music program.

These scholarships give college-bound senior band members, who are continuing with their music education, an opportunity to be awarded a scholarship in recognition of their time as part of the Westfield High School band program.

The scholarship committee intends that the criteria for the band scholarship be weighted more heavily on the participation and commitment of the student in and to the WHS band program.

Non-music related activities and letters of recommendation are used as tiebreakers when the scholarship applicants are of equal stature in the band criteria. Neither grade point average nor financial need will be used as criteria for this application.

Mrs. McBride was the beloved Westfield Band Director from the time the school opened in 2000 until she passed away in January 2006 from breast cancer.
